• ABOUT MYSELF

Self-taught **Software Engineer** specializing in full-stack development using the **MERN stack** (MongoDB, Express.js, **React**, **Node.js**). Experienced in building production-ready web applications with a focus on clean, maintainable code and responsive interfaces. Strong problem-solving abilities with hands-on experience, and ability to quickly learn and apply new technologies.

• SKILLS

Languages

JavaScript | TypeScript | Python | SQL | PHP

Frontend

React.js | Next.js | HTML | CSS | Tailwind CSS | Bootstrap | SCSS | Angular | UI/UX | REST APIs

Backend

Node.js | Express.js | MongoDB | MySQL

Tools

Git | Docker | CI/CD | Figma | Postman | Linux | WordPress

• WORK EXPERIENCE

24/10/2025 - CURRENT - KANDY, SRI LANKA

WEB DEVELOPER- FREELANCE

- Built and deployed 2+ WordPress websites for local businesses.
- Developed custom website features using **JavaScript & PHP**.
- Improved Google PageSpeed scores by 20–30% through performance optimization.
- Designed user-friendly interfaces using Figma and best UI/UX practices.
- Gathered client requirements and delivered projects from concept to launch.

24/03/2025 - 24/10/2025 - KANDY, SRI LANKA

WEB DEVELOPER INTERN- AVLANCHE

- Built and launched 12+ custom WordPress websites in a 6-month period.
- Developed 3+ high-engagement websites in collaboration with the UI/UX team.
- Maintained 40+ websites serving 20,000+ users.
- Resolved production issues across **PHP** and **JavaScript** applications.
- Integrated **REST APIs** and third-party services into web applications.
- Collaborated with teams in a **Agile** development environment.
- Improved Google PageSpeed scores to 80-95% through performance optimization.
- Performed website maintenance, debugging, and feature enhancements.

01/01/2024 - 23/03/2025

FRONTEND DEVELOPER- FREELANCE (FIVERR)

- Converted client designs into responsive web interfaces using **HTML** and **CSS**.
- Developed interactive frontend features using **JavaScript**.
- Improved user engagement through UI/UX enhancements.

- Implemented responsive design and cross-browser compatibility standards.
- Applied error handling, code modularity, and performance optimization best practices.
- Collaborated with clients to translate requirements into production-ready interfaces.

• PROJECTS

Habitzy — Productivity Platform for Habit Tracking

<https://github.com/DevHanza/habitzy>

- Built a productivity web app to manage and track habits with streak system and real-time leaderboard.
- Developed **RESTful APIs** using **Express.js** and secured endpoints with JWT authentication.
- Configured CORS and rate limiting on backend APIs.
- Frontend built using **React** + React Router, enabling SPA experience.
- Optimized performance by reducing unnecessary re-renders using memoization techniques.
- Integrated **MongoDB** database for persistent storage and optimized queries for performance.
- Containerized frontend & backend services using **Docker** for consistent deployment.

Tech Stack: React, Node.js, Express.js, MongoDB, React Router, Docker

Cafesy — E-Commerce Website

<https://github.com/DevHanza/cafeszy>

- Built an e-commerce website with product listing, purchasing functionality, forms, and email newsletter.
- Integrated **REST APIs** and third-party services using **Node.js**, **JavaScript**, and **EJS**.
- Developed responsive frontend using **HTML5**, **SCSS**, and **Bootstrap**.
- Implemented email notifications and contact form workflows using SMTP integration.
- Added custom CSS animations using SCSS and **JavaScript**.
- Optimized frontend logic, code, and assets, achieving 95+ Core Web Vitals scores.

Tech Stack: HTML, SCSS, JavaScript, Node.js, Express.js, EJS.

• EDUCATION & TRAINING

01/05/2023 - 09/09/2024 - COLOMBO, SRI LANKA

TRAINEE - FULL STACK DEVELOPER- UNIVERSITY OF MORATUWA

Frontend Development (Javascript, Angular, jQuery, AJAX, HTML, CSS), Backend Development (Python, Node.js, Express.js, REST APIs, Git), UI/UX Design Practices, Soft Skill Practices

22/12/2021 - 25/06/2024 - KANDY, SRI LANKA

G.C.E ADVANCED LEVEL- NUGAWELA CENTRAL COLLEGE

Engineering Technology (ET), Science for Technology (SFT), Information & Communication Technology (ICT), General Information Technology (GIT), General English
